

**ACS**  
Chemistry for Life®

## **DON'T MISS THESE EDUCATIONAL RESOURCES FROM THE AMERICAN CHEMICAL SOCIETY (ACS)!**

**Digital and print issues of Celebrating Chemistry** – Wanting to distribute copies of ACS's children's take-home publication at your events? Print publications can be purchased from the ACS Store or possibly donated from your ACS local section, and the digital version is available online at [www.acs.org/celebratingchemistry](http://www.acs.org/celebratingchemistry).

**Merchandise in the ACS Store** – Looking for more periodic table wallet cards, publications, and other educational giveaways for your celebrations of chemistry during National Chemistry Week, Chemists Celebrate Earth Week, or 2019's International Year of the Periodic Table? Check out all of ACS's merchandise at [www.acs.org/store](http://www.acs.org/store).

**Expertise and Volunteers from ACS local sections** – As a reminder, if you need expert advice or chemist volunteers for your "Explore Science: Let's Do Chemistry" events, contact your closest ACS local section at <https://lslookup.acs.org/lslookup/>. You can also contact your National Chemistry Week Coordinator at [www.ncwlookup.acs.org](http://www.ncwlookup.acs.org) or your Chemists Celebrate Earth Week Coordinator at [www.ccewlookup.acs.org](http://www.ccewlookup.acs.org).

For more information about ACS' informal science education programs and resources, contact [outreach@acs.org](mailto:outreach@acs.org).
