

## NanoDays 2013 Kit Application

---

NanoDays 2013 is March 30 through April 7, 2013!

Please fill out this application to be considered for a 2013 NanoDays physical kit. You can view the contents of the 2013 kit [here](#). Applications for physical kits will be accepted from October 1 through December 1. A total of 225 kits are available for distribution. Kits will be shipped in January 2013.

The NISE Network also offers a digital download version of the NanoDays kit, complete with instructions, supply lists, marketing materials, and multimedia files. Consider this option if you do not meet [eligibility criteria](#), are affiliated with an organization that does not hold public events, are collaborating with another institution holding an event, are located outside the United States, or want to create multiple copies of print resources. Digital kits will be available for download after January 15, 2013 at [www.nisenet.org/nanodays/](http://www.nisenet.org/nanodays/).

## NanoDays Kit application complete

---

Thank you!

Your application for a 2013 NanoDays physical kit is now complete. You should receive an automated email from KC Miller of the Science Museum of Minnesota ([kcmiller@smm.org](mailto:kcmiller@smm.org)) with a PDF of your application attached; you may need to check your email spam filter for the automated email.

You will be contacted by a NISE Network representative if there are additional questions about your application. You can expect to hear about the status of your kit application in late December.

If your status changes or you have additional questions about NanoDays, feel free to contact us at [nanodays@nisenet.org](mailto:nanodays@nisenet.org)
