**NISE Network** 

## Meeting participants

#### Who's here?

Project team

NASA collaborators

SciAct collaborators

ASU collaborators

NISE Net partners

Wifi: nisenet

Password: apollo11

### Meeting goals

**PUBLIC ENGAGEMENT:** Participants will identify ways to enhance their public engagement efforts related to Earth and space science by using NISE Network and NASA Science Activation products and resources.

**PROFESSIONAL DEVELOPMENT:** Participants will increase their knowledge of Earth and space science content and develop skills related to informal STEM education.

**COLLABORATION:** Participants will learn strategies and opportunities to increase local collaborations with other organizations and with Earth and space science subject matter experts.

**INVOLVEMENT:** Participants will understand the goals, impact, and learnings of NISE Net's Earth and space project and feel motivated to continue and increase their project-related work.
