

## SPEAKER FOLLOW-UP

---

*Pose these questions to speakers after the forum in order to have a record of their participation and to learn what about your preparation worked well and not so well for the speaker. Questions can be added and removed as needed.*

1. What is your name, professional background, and contact information?
  2. Why did you feel it was important to participate in the forum?
  3. What did you find to be the most valuable aspect of participating in the forum?
  4. What did we do to help you prepare to present at the Nanotechnology Forum?
  5. What should we do differently in the future to better prepare speakers for the forum?
  6. Do you have any other suggestions?
