

**ONLINE  
WORKSHOPS**

## Explore Science: Let's Do Chemistry Kit & Celebrate National Chemistry Week (October 21-27, 2018)

Online Workshop Summary of Resources

9-11-2018

---

### ONLINE WORKSHOP PRESENTERS

- Rae Ostman, Arizona State University
- David Horwitz, American Chemical Society
- David Sittenfeld, Museum of Science
- Ali Jackson, Sciencenter

### RECORDING OF THE ONLINE WORKSHOP

- <https://vimeo.com/289494471> (Vimeo)

### NISE NETWORK RESOURCES

- **Explore Science: Let's Do Chemistry digital kit**  
<http://nisenet.org/chemistry-kit>
  - **Event Planning and Partnership Guide**  
<http://nisenet.org/sites/default/files/chem ldc planning and partnership guide.pdf>
  - **Safety Guide and additional resources**  
<http://nisenet.org/sites/default/files/chem ldc safety guide.pdf>
  - **A Framework and Strategies to Encourage Positive Attitudes Toward Learning Chemistry in Museums and Informal Settings Guide**  
<http://nisenet.org/sites/default/files/chem ldc framework and strategies guide.pdf>
  - **Hands-on activity training videos**

## AMERICAN CHEMICAL SOCIETY (ACS) NATIONAL CHEMISTRY WEEK RESOURCES

- National Chemistry Week (NCW) resources  
[www.acs.org/ncw](http://www.acs.org/ncw)
- Find your American Chemical Society (ACS) Local Section NCW Coordinator  
[www.ncwlookup.acs.org](http://www.ncwlookup.acs.org)
- ACS Student Chapters  
[www.acs.org/studentchapters](http://www.acs.org/studentchapters)
  - Find a Student Chapter  
<https://www.acs.org/content/acs/en/education/students/college/studentaffiliates/find-a-chapter.html>
- **Program-in-a-Box** is an exclusive benefit for ACS Local Sections, Technical Divisions, and Student Chapters and is targeted for college level students. Not an ACS Local Section, Technical Division, or Student Chapter. That's OK! ACS wants chemists to connect with each other and will send you a "digital box" or help you use ACS Program-in-a-Box to start a Local or Student Chapter or get it back into active status.
