PRESENTER RESOURCES

Rachel Carpenter, Children’s Discovery Museum in Normal, IL

Overview – Activity kits with free lunch program: Museum staff will deliver 1,000 kits to be distributed at Unit 5’s free lunch sites and at the Boys and Girls Club in Bloomington.

<https://www.childrensdiscoverymuseum.net/>

- To see and download a PDF of the Activity Packet, STEAM Activity Packet, and a Press Release discussed during the online workshop, [view the Resources section on the Virtual Camps Workshop Product page](#)

Ashlyn Savage, Children’s Science Center in Fairfax, VA

Overview – Virtual camps: Have been running two weeks of virtual camps, but are still working on reaching a wider audience, particularly underserved communities.

<https://childsci.org/events-programs/in-the-lab/camp/>

Nathan Hayes, Rochester Museum & Science Center in Rochester, NY

Overview – Virtual Forest School program: Modified outdoor Forest School program to online platform, Zoom, and have been adding new revenue generating programs. Program meets online, provides students with an outside mission/challenge/project to do in their backyard, then return online to share out; currently serving about 160 new paying students.

Jenna Grant, Museum of Life and Science in Durham, NC

Overview – Virtual programming for families experiencing homelessness: Providing virtual programs for families experiencing homelessness in partnership with Families Moving Forward; program includes dropping off physical materials (eg, iPads) off in advance.

<https://fmfnc.org/>

<https://www.lifeandscience.org/activities>

Symone Barkley, National Aquarium in Baltimore, MD

Overview – Youth groups and environmental justice: Virtual sessions with two youth groups from underrepresented communities who usually meet during afterschool hours and on weekends.

<https://www.aqua.org/>

Sarah Christopherson, Environmental Learning Center in Vero Beach, FL

Overview – Virtual programming with underserved audiences: ELC is a year-round private non-profit nature center in Florida that offers summer day camps. Scholarship program mostly funded by private donations and supports families in need by offering 75% off all programming. Currently focusing on access and equity issues (Homeless Children Foundation), use of phones instead of computers, engaging teens, and providing physical activity kits.
