This survey will be collected and analyzed to help inform and improve our future activities. Participation is voluntary, and your responses will be confidential. Thanks for your feedback!

1. What do you think the educator wanted you to learn about in this activity?

2. What, if anything, about the activity is confusing or hard to understand?

3. Compared to before you used the activity, how interested are you in chemistry after this activity? Please circle one.
   - Much LESS interested
   - A little LESS interested
   - No change
   - A little MORE interested
   - A lot MORE interested

4. What about the activity made you feel this way?

5. Compared to before you used the activity, how relevant do you feel chemistry is to your life and experiences? Please circle one.
   - Much LESS relevant
   - A little LESS relevant
   - No change
   - A little MORE relevant
   - A lot MORE relevant

6. What about the activity made you feel this way?
7. Compared to before you used the activity, how confident are you in your **understanding** of the chemistry concepts in this activity? Please circle **one**.

- Much LESS confident
- A little LESS confident
- No change
- A little MORE confident
- A lot MORE confident

8. Compared to before you used the activity, how confident are you in **talking to others** about the chemistry concepts in that activity? Please circle **one**.

- Much LESS confident
- A little LESS confident
- No change
- A little MORE confident
- A lot MORE confident

9. Compared to before you used the activity, how confident are you in your **ability** to do a similar activity on your own? Please circle **one**.

- Much LESS confident
- A little LESS confident
- No change
- A little MORE confident
- A lot MORE confident

10. What about this activity shifted your confidence in these areas?

11. Do you have suggestions or anything else to add?

12. If you feel comfortable, please provide the age of your group members
