# Orejas de elefante

1. Colorea las orejas con crayones.
2. Corta las orejas siguiendo las líneas punteadas.
3. Coloca la diadema alrededor de la cabeza del niño (a) y asegúrala con cinta adhesiva.
4. Pega las orejas en la diadema.

Materials

- Elephant Ears template (one per child)
- Precut headbands
- Safety scissors
- Tape
- Crayons

The NanoDays 2013 physical kit comes with precut headbands. You can easily make your own headbands by cutting 1-inch strips from extra-large sheets of paper (around 24" long).

Notes to the presenter

Before doing this activity, review the complete lesson plan and prepare materials for the craft activity:

- Photocopy the Elephant Ears template, so that you have a copy for each child.
- Precut headbands so that you have one per child.
