

**HELLO!**

LET'S GET TO KNOW EACH OTHER.

**Introduce yourself to your table:**

- Your name
- Where you're from
- One thing you've noticed about air quality in your life experience

**As we talk...**

- Respect others' opinions and ideas
- No interruptions - one person talks at a time
- Listen carefully to what others have to say
- It's ok to disagree with others
- Respect others' experiences and backgrounds
- Take part in the discussion
- Give everyone a chance to speak
- Keep comments brief and to the point
