## Additional Resources

- “Sort It Out” online activity  
<https://virtualexhibits.mos.org/sort-it-out/>
- Additional Formative Evaluation Resources
  - Online survey tools
    - Google forms: This free tool is a great option for simple surveys
    - Survey Monkey: For free, you can gather up to 10 questions worth of data from up to 40 people. For a fee, you can get more functionality and gather more data.
    - Qualtrics: This is a paid service that offers a wide range of customizable survey options.
  - Web analytics tools
    - Google Analytics: This is a free service that measures the digital traffic on your webpage.
    - Hot Jar: This tool offers integrated surveys for your website, heat maps of where people click, screen recordings of what visitors do on your website, etc. There is some free functionality and you can get more for a fee.
  - Online focus group tools
    - This is a nice overview about doing focus groups online:
